

The final response will include statement of issues, an apology or explanation as appropriate, clear evidence based reasons for outcomes, if appropriate, where errors have occurred, an explanation in full and state what will be done to correct the issue, or prevent repetition.

It is hoped that on receiving the letter, you will feel satisfied that the practice has dealt with the matter thoroughly and if appropriate improved our services as a result. If you are still not satisfied, a meeting will be arranged with the complaint GP and others involved to try further reconciliation. If at that point, resolution is still not achieved then either side can refer the matter to the Health Commissioner at the address below.

Complaints Procedure

[Making a Complaint](#)

We always try to address your concerns fully, provide an appropriate apology or explanation and discuss any action that may be needed so that you will feel satisfied that the practice has dealt with the matter thoroughly and where appropriate improved the service as a result. Our practice procedure is not able to deal with questions of legal liability or compensation. Most problems can be sorted out quickly and easily, often at the time they arise with the person concerned and this may be the approach you try first.

Where we are not able to resolve your complaint in this way, you may wish to make a formal complaint and this is fine. This should preferably be **in writing** as soon as possible after the event giving as much detail as you can and ideally within a few days as this helps us to establish what happened more easily. In any event, this should be :-

Within 12 months of the incident or within 12 months of you discovering the issue.

We are able to provide you with a separate complaints form which you can register your complaint on and this can include a third party authority form enabling a complaint to be made on behalf of someone else. Please ask at Reception for these. Alternatively, this can be sent in your own format providing it covers all the necessary aspects. Any complaint issues will not affect ongoing treatment from the practice, you will continue to be treated. Send your written complaint to:

Complaints Manager

Email: ridge.feedback@nhs.net

Complaints received about the Out of Hours Service and any other external service provided in our surgery will be passed to the

appropriate provider for investigation.

[Complaining on Behalf of Someone Else](#)

We keep strictly to the rules of confidentiality therefore, if you complain on behalf of someone else, we need to have their authority to investigate the issue and provide feedback to you.

A letter signed by the person concerned will be required, unless they are incapable (because of illness) of providing this.

[Need Help Composing Your Complaint](#)
